Credit Lines are securities backed loans provided by UBS Bank USA, an affiliate of UBS Financial Services Inc. Credit Lines are full recourse demand loans, are subject to credit approval and are “margin loans” subject to collateral maintenance requirements (i.e., margin requirements). The lender can (i) demand repayment and/or (ii) change collateral maintenance requirements (i.e., margin requirements) at any time without notice. If the required collateral value is not maintained, the lender can require you to post additional collateral (commonly referred to as a “margin call”), repay part or all of your loan and/or sell your securities. Failure to promptly meet a margin call or repayment or other circumstances (e.g., a rapidly declining market) could cause the lender to liquidate some or all of the collateral supporting the Credit Lines to repay all or a portion of the outstanding Credit Line obligations. Any required liquidations may result in adverse tax consequences. You are personally responsible for repaying the Credit Line in full, regardless of the value of the collateral.

Credit Lines are “non-purpose” loans and may not be used directly or indirectly to purchase, trade or carry securities or to repay debt (a) used to purchase, trade or carry securities or (b) to any affiliate of UBS Bank USA. Additional limitations and availability may vary by state. Prepayments of UBS Fixed Credit Lines will be subject to an administrative fee and may result in a prepayment fee.

Neither UBS Financial Services Inc. nor UBS Bank USA provide legal or tax advice. You should consult your legal and tax advisors regarding the legal and tax implications of borrowing using securities as collateral for a loan. For a full discussion of the risks associated with borrowing using securities as collateral, you should review the Loan Disclosure Statement that will be included in your application package. Securities backed financing involves special risks (including, without limitation, being subject to a margin call if certain collateral value requirements are not met) and is not suitable for everyone.

All mortgage products are offered by UBS Bank USA—Member FDIC (NMLS No. 947868). All loans are subject to underwriting, credit and property approval. Not all products are available in all states, or for all loan amounts. Other restrictions and limitations may apply. Residential mortgage loans are available within the 50 states of the United States of America and the District of Columbia. UBS Financial Services Inc., 1000 Harbor Boulevard, Weehawken, NJ 07086. NMLS No. 6737. Georgia Residential Mortgage License No. 18092. Massachusetts Mortgage Broker Lic. No. MB6737. Registered Mortgage Broker—NYS Dept. of Financial Services. UBS Financial Services Inc. and its Financial Advisors do not take mortgage loan applications, do not offer mortgage loans and do not negotiate terms of mortgage loans.
