

Online Services Data Security Statement

UBS Financial Services Inc. understands how critical it is that your personal financial information is kept confidential and secure. To that end, access to UBS Financial Services Inc. Online Services occurs over a secure connection to protect the transmission of your data from unauthorized access. In addition, as your "User Name" and Password enable you to access this secure system, it is of utmost importance that you protect your User Name and password from unauthorized use and / or disclosure.

Although UBS Financial Services Inc. uses encryption technology to protect the information accessed or submitted via the UBS Financial Services Inc. Online Services site, e-mail to or from Online Services is not encrypted. Therefore we strongly recommend that you not send personal information to UBS Financial Services Inc. or UBS Financial Services Inc. Online Services by e-mail.
